“The Symposium on Chronic Renal Failure and Nutrition in Turkey”, (October 24, 2003, İstanbul)

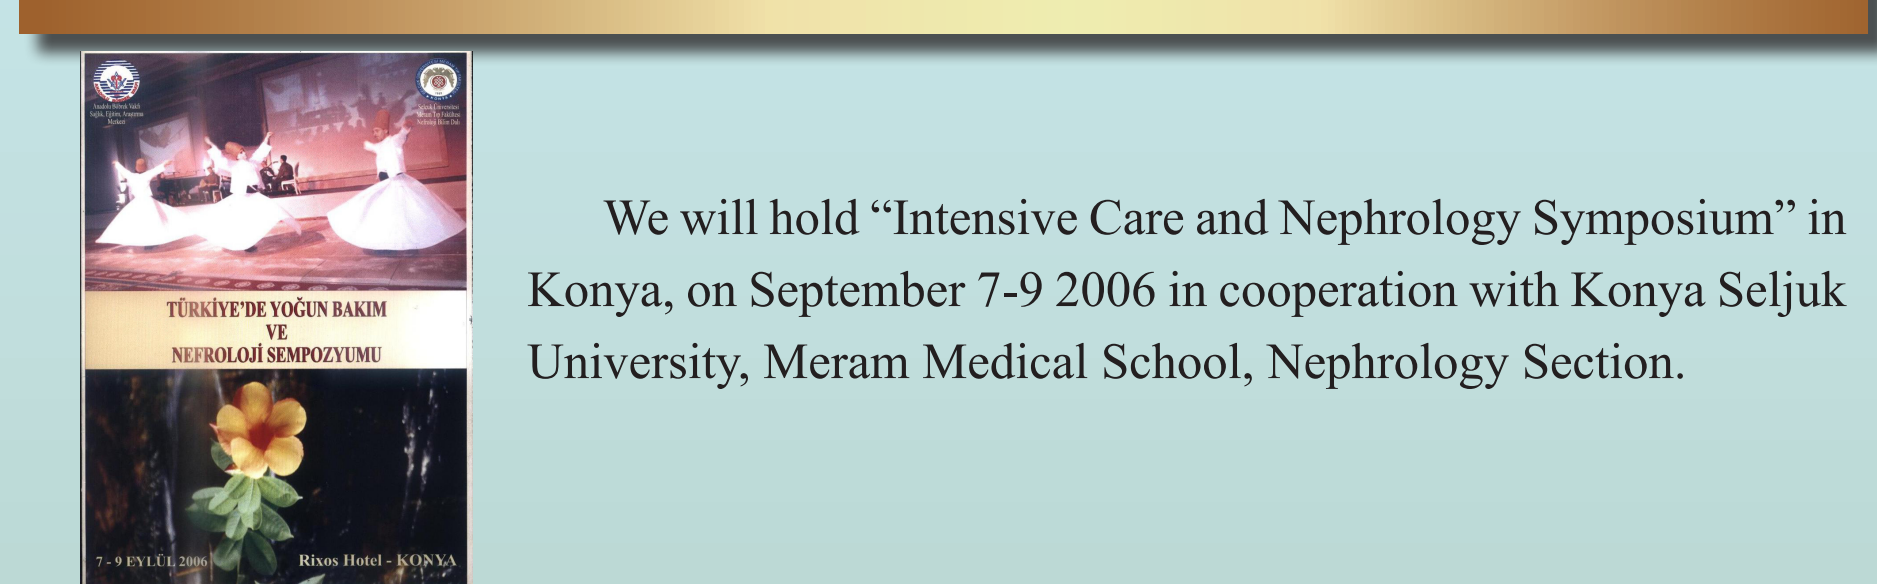

24 Ekim 2003'te “Türkiye’de Kronik Böbrek Yetmezliği ve Beslenme Sempozyumu”nun ilki İstanbul’da düzenlenmiştir. Diyet uzmanlarının sayısı hızla artmakta beraber bilim dalımızda o ana kadar henüz disiplinle olmamışlardı. “Türkiye’de Kronik Böbrek Yetmezliği ve Beslenme” konusu işlenerek ülkemizdeki böbrek yetmezliğinin beslenme yönünden o günkü durumunu, ilk kez diyet uzmanlarımızı da aramıza alarak ortaya koyduk. Bu sempozyumun da kitabı 2004 yılında yayınlanmıştır.

“The Second Congress on Chronic Renal Failure Nutrition and Metabolism in Turkey” (November 25-27, 2004- Ankara)

Anatolia Kidney Foundation’s Third Renal Diseases and Nutrition Congress” was actualized within the Celebration of Anatolia Kidney Foundation’s Tenth Year at Ankara University Medical School, Morphology Building, Senior Professor Abdülkadir Noyan Lecture Hall on 3rd October 2006. In this congress we hold “MY ANATOLIA” photograph exhibition in cooperation with The Establishment of Photographical Arts. Also its catalogue which includes all photographs of this exhibition.

“Intensive Care and Nephrology Symposium” in Konya, on September 7-9 2006

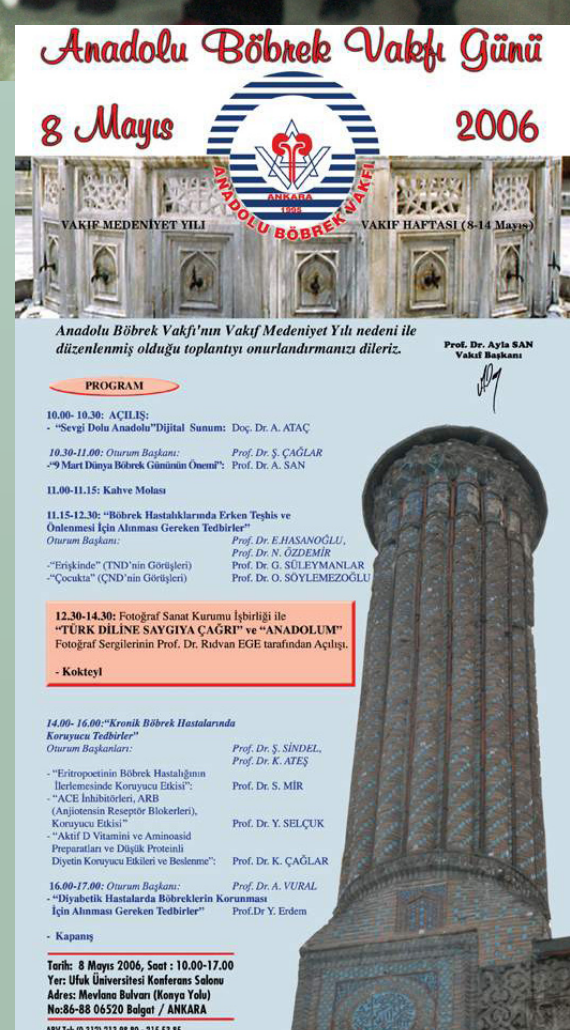

We will hold “Intensive Care and Nephrology Symposium” in Konya, on September 7-9 2006 in cooperation with Konya Seljuk University, Meram Medical School, Nephrology Section.

WORLD KIDNEY DAY 2006 WKD 2006 theme: “Kidney disease is common, harmful, and treatable.” 9th March 2006

From May 8-14, the Anatolia Kidney Foundation celebrated Foundation and Civilization Week in Turkey and as part of these celebrations attention had been drawn to the spirit of World Kidney Day on May 9, 2006. A panel discussion has been organized for kidney health professionals to focus on “Early detection and prevention in renal diseases”.

2th WKD 2007 theme: “Are your kidneys OK?” 8th March 2007

This year World Kidney Day was celebrated on 8 March 2007. As you know 8 March is International Women’s Day. We prepared a congress as Anatolia Kidney Foundation for World Kidney Day in cooperation with Ufuk University Medical School on March 8th, 2007.

Our Media Activities

Prof. Dr. Ayla SAN, president of Anatolia Kidney Foundation attended a program on the Avrasya TV (An international TV which broadcasts 103 countries) to make interview about World Kidney Day and Kidney Diseases and on 14th March 2007 she appeared in main news on Sky TV (a national TV) to give knowledges about organ donations and donation rates in Turkey.

3th WKD 2008 theme: “Amazing Kidneys!” 13th March 2008

I work in Ufuk University which supports Anatolia Kidney Foundation for World Kidney Day activities. They arranged a congress together.

WKD 2008 Public Survey

Title of the survey: “What Do We Know About Our Kidneys?”

We have prepared a questionnaire on the subject

4th WKD 2009 theme: “Do you keep your blood pressure under control ?” 12 March 2009

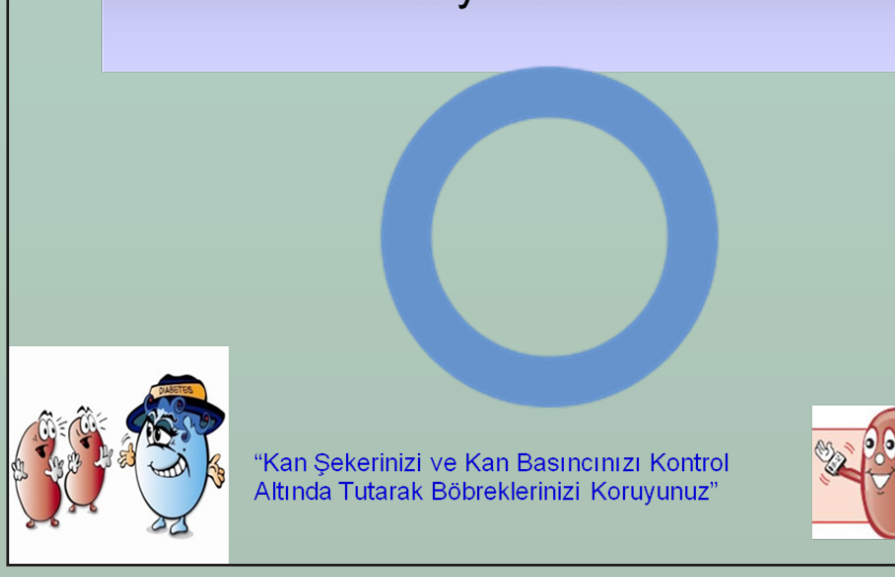

We organized a conference on hypertension. Our meeting got great attention. Prof. Ayla SAN, M.D. mentioned about the importance of World Kidney Day and hypertension.

5th WKD 2010 theme: “Protect Your Kidneys by Controlling Blood Sugar and Blood Pressure 11th March 2010

Ufuk University medical school students controlled people’s blood pressure in CEPA Mall and they gave information about hypertension to the people. A medical specialist accompanied them. They worked from 10.00 a.m. to 10.00 pm.

5.Dünya Böbrek Günü’nün Konusu; “Diyabet”2010

Beautiful scientific activities were organized in cooperation of Ufuk University, Turkish Society of Nephrology, Turkish Society of Hypertension and Renal Diseases and the Society of Endocrinology and Metabolism of Turkey.

SOCIAL SCIENTIFIC ACTIVITIES
Ufuk University Medical School Student controlled people’s blood sugar and diabetes in CEPA Mall and they gave information to the people. Two medical specialists accompanied them. They worked from 10.00 a.m to 10.00 p.m.
